to attend**

the 2009 Baile benefiting  
Tri-City Medical Center

## Dine. Dance. Help save lives.

It's not just a date to dine and dance. It's a night that really makes a difference, because it's a night that really saves lives. This will be the 29th year that the proceeds from the Baile have helped Tri-City Medical Center make sure the equipment and other resources are there when you, a loved one or a friend need them. An additional defibrillator in the ER, an extra warming bed in the neonatal intensive care unit, a bedside medication scanning system serving the entire hospital. These and many other things are the result of Bailes past. Now it's time for Baile present, and we hope you will be present. The Baile is great fun, for a great cause.
